## FAMILY PLANNING SERVICE FOR LONG ACTING REVERSIBLE CONTRACEPTION (LARC)

DECEMBER 4, 2017

Health Choice Arizona and Health Choice Integrated Care will reimburse Long Acting Reversible Contraceptive (LARC) services through regular claims process.

In an effort to reduce administrative burden and optimize claims processing, for dates of service on or after 01/04/2018 Health Choice will no longer require or accept billing by invoice for LARC services. LARC services will be reimbursed as defined:

PROC	DESCRIPTION	HCA NON-FAC RATE
J7297	Levonorgestrel-Releasing Intrauterine Contraceptive System, 52mg, 3 Year Duration	110% of AHCCCS Prevailing
J7298	Levonorgestrel-Releasing Intrauterine Contraceptive System, 52 Mg, 5 Year Duration	100% of AHCCCS Prevailing
J7300	Intrauterine Copper Contraceptive	100% of AHCCCS Prevailing
J7301	Levonorgestrel-Releasing Intrauterine Contraceptive System, 13.5 Mg	100% of AHCCCS Prevailing
J7307	Etonogestrel (Contraceptive) Implant System, Including Implant and Supplies	100% of AHCCCS Prevailing

Please be aware, the family planning provider must provide proper counseling to the eligible member to minimize the likelihood of a request for early removal.

Counseling information is to include a statement to the member indicating if the implant is removed within two years of insertion, the member may not be an appropriate candidate for reinsertion for at least one year after removal.
