Dear Providers,

In April we announced that Steward Health Choice Arizona has been awarded the Arizona Health Care Cost Containment System (AHCCCS) Complete Care contract for the North and Central Geographic Service Areas, effective October 1, 2018.

Steward Health Choice Arizona is our AHCCCS Complete Care health plan that formed by integrating Health Choice Arizona and Health Choice Integrated Care.

Our goal is to help keep you informed as we continue to work with AHCCCS on a seamless transition with our provider partners and members.

We've put together some information to help you stay informed.
